Better than Chocolate: Valentine's Day Treats You'll Both Enjoy

by JANINE on 11 FEBRUARY 2010 · 0 COMMENTS

From silky skin to custom fragrance to a sexy nail-polish application à la a sweet 2006 romantic movie called *Something New* (starring Simon Baker of "The Mentalist"), these are outside-the-chocolate-box ideas for your lovey-dovey day.

LoveFresh Body Goodies Hand and Body Wash in Lemon Verbena (\$18) gives a shower for two an extra stimulating zip. It's paraben free and Canadian, too. [LoveFresh.com](#) for retailers.

Revolution Organics All-Over Body Balm (\$28) is emollient with organic cocoa butter, shea butter, olive oil and apricot oil, all of which are rich in all the best-for-skin vitamins. As for the 22 uses, have fun figuring them out. [RevolutionOrganics.com](#) for retailers.

Linden Leaves Aromatherapy Synergy In Love Again body oil (\$39.80) soothes and smooths dry skin with essential oils including neroli, vanilla and sandalwood, for a massage with benefits. [LindenLeaves.com](#) for retailers.
